Happy Easter 2010

Hope all is well with everyone. What an absolutely beautiful day it is today. This is one of the reasons I love living in New England.

I have neglected our site far too long. I will do my best to get this site rolling again. As always, I will need your help. Any photos, stories or information you want to share with other members of our family just send it along and I will get it posted.

I can always use help in getting this site working better. If I have any volunteers, just drop me a line and I will get in touch and get it rolling.

This is an open invitation to all members of our family. On Saturday May 29 we are having our 5th annual Craw Fish Boil. Start time is 3 p. m. If you haven't eaten craw fish Louisianna style you have to try it. You won't be dissapointed.

Last year was the first appearance on Gram Regan and Cousin Johnny and Cousin Barbara. That was awesome to have them here. Cousin Johnny brought his squeeze box and entertained everyone. We usually start the karaoke after the food is gone and the drinks have taken affect. It seems to bring out the best in all of us. Hopefully Cousin John will make it back this year and we can impose on him to take center stage and get the music going early. We would love to have every member of the family show up. Being the first holiday weekend we understand you might have other plans but if you can make it that would be special.

Love you all,

Cuzin' Bill
